

## **Automation Fair 2009 - Housing**

Rockwell Automation has reserved 6 hotels with over 4,000 rooms to include our exhibiting partners. The rooms are managed by Experient who has handled our housing for several years. While **Experient is the ONLY company authorized to handle Automation Fair housing**, a company by the name of Convention Expo Travel has been pursuing some exhibitors and offering discounted hotel rooms for the Automation Fair. **Please do not use or contact Convention Expo Travel. Although they may tell you differently, Rockwell Automation has absolutely no affiliation with them** and we have no way of knowing if they can actually produce any rooms for you at all or do for you what they claim. In fact, you will find them listed with complaints on the Better Business Bureau website at [http://southernnevada.bbb.org/bbb\\_acc\\_rpt\\_s.asp?bbb\\_id=76788&rmode=unsatnon](http://southernnevada.bbb.org/bbb_acc_rpt_s.asp?bbb_id=76788&rmode=unsatnon)

**Please be wary of accepting any potential offers for discounted rooms from Convention Expo Travel or anyone other than Experient, and understand that if you do so it is at your own risk.**

The link to Rockwell Automation's **authorized** hotel registration site is included in the show registration process; therefore you must register for the Fair via [www.automationfair.com](http://www.automationfair.com) before making hotel reservations. Please see the page below for hotel descriptions. If you have any questions on housing or if you have a need for 10 or more rooms, please contact Experient directly:
