AUTOMATE

June 22-25, 2026 • Chicago, IL

Thanks for Visiting Rockwell Automation!

Turn Ideas Into Proven Systems - Before You Build

You saw what's possible at our booth!

Emulate3D empowers teams to **design, validate, and demonstrate automation systems in a fully digital environment** - reducing risk, accelerating timelines, and improving outcomes.

Why Teams Choose Emulate3D

- ✓ Reduce project risk and rework
- ✓ Accelerate time-to-production
- ✓ Improve collaboration across disciplines
- ✓ Increase confidence in design decisions
- ✓ Deliver better systems, faster

What's Next!
