

How to create your myRockwellAutomation account

Step 1. Create your account

Centralized Tools

Links to your favorite Rockwell Automation apps in one place

Step 2. Confirm your email

Simplify access to your
SOFTWARE LICENSES

Visibility to your software licenses, easy links to download and activate

Step 3. Link to your company

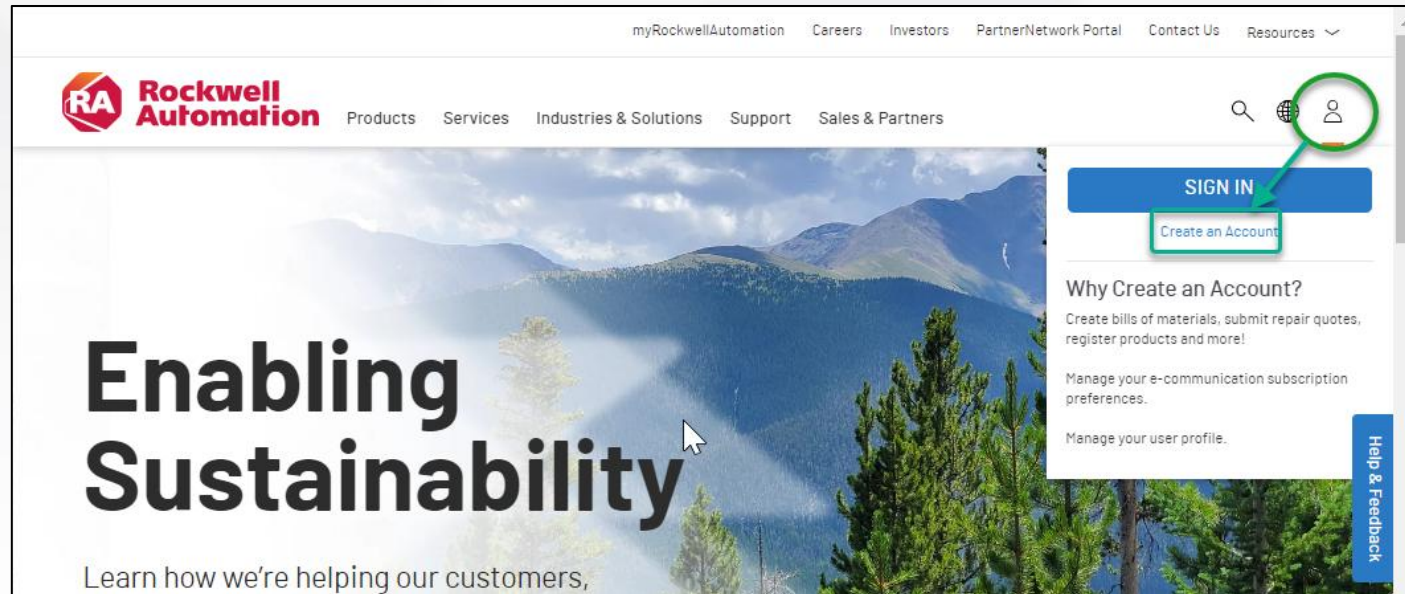

Streamline use of your
SERVICE ENTITLEMENTS

Authorization number and consumption information for all your TechConnect and Integrated Service Agreements (ISA)

Step 1. Create your account

1. Navigate to **RockwellAutomation.com**.
2. Click the **Account** icon.
3. Click **Create an Account**.

A screenshot of the "Create Account" form on the Rockwell Automation website. The form is titled "Create Account" and includes the following fields: "First Name *", "Last Name *", "Country/Region *" (a dropdown menu), and "Email Address *". A red bracket labeled "A" groups the first three fields. Below the "Email Address *" field, a note states "A verification code will be sent to this address". A blue "CONTINUE" button is located below the email field, with a red arrow labeled "B" pointing to it. Below the "CONTINUE" button, there is a link "Have an account? Sign in Here". At the bottom of the form, there are links for "Need help?", "Legal Notices", and "Privacy & Cookies Policy". The footer of the form contains the copyright notice "Copyright © 2024 Rockwell Automation, Inc. All Rights Reserved."

- A. Add your name, country and your company email
- B. Continue to verify your account

Step 2. Confirm your email & set your password

We will send you a confirmation code to your e-mail

Fill in the Verification Code

Set your password

You are all set!

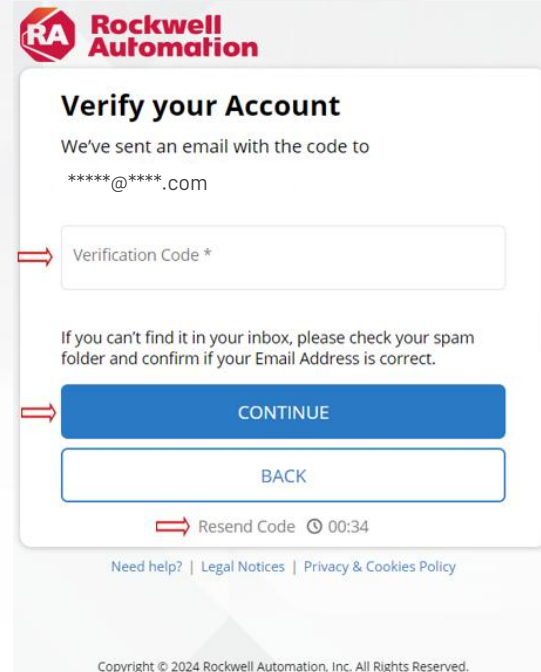

Account Verification

Looks like you are creating a new account with us!
Kindly verify your account using the below code.

Step 3. Link to your company

Log into your account

Go to my account

Complete your profile by adding your Authorization Number, Residing Location, and additional Locations

It will take 1-2 business days for your account to be linked

The first set of screenshots shows the login process. The first screen is the 'Sign in' page with fields for 'Email Address' and 'Enter Password', and a 'CONTINUE' button. The second screen is the 'Select verification method' page with options for 'Email', 'SMS Text Message', and 'Phone Call', and a 'CONTINUE' button. The third screen shows the 'My Account' page with a 'Sign Out' button. A circular callout on the right side of the 'Select verification method' screen contains an 'Important: MFA Skip Limit Warning'.

The screenshot shows the 'Let's review your Rockwell Automation account settings' page. The left sidebar contains a 'JU' logo and a 'Welcome Juliana Uribe!' message. The main content area has a 'Complete Your Profile' section with links for 'Add your account details' and 'Request your first location'. A 'Recent Requests' table shows three pending requests. A 'Location' section is also visible. A callout box on the right says 'Check what information is missing from your Account'. Three callout boxes point to the 'Authorization Number', 'Residing Location', and 'Additional Locations' fields in the 'Recent Requests' table.

- Your **Authorization number** can be located on a current Welcome Kit and will grant access to content such as Knowledge base articles, Live Chat & Submit Questions
- Your **Residing Location** is your company location and gives you access to products and services like Software, TechConnect, My Equipment

* You can add as many locations as you need

** Some roles need to be requested by your distributor or Rockwell representative
