The DoubleTree by Hilton Milan is a four-star hotel with a modern design, characterized by wood and glass that ensure brightness to the interior and elegance to the exterior, thanks to the simple architectural lines.

The location of the hotel makes the stay at the DoubleTree by Hilton Milan the ideal solution for those looking for comfort and quality away from the chaos of the city. It is in fact located near Viale Certosa, the nerve centre of the business district of Milan. The hotel is in a strategic position, four kilometres away from MADE.
